Dear School Administrator,

We are reaching out to you today to share an opportunity for your PLTW students.

Rochester Institute of Technology (RIT) has been a Higher Education and Training Partner with Project Lead The Way for over 20 years. We know firsthand the value and experience the PLTW curriculum provides your students and we know the importance of applying their hard work to their future educational goals and careers.

We offer undergraduate credit in the following PLTW Engineering and Biomedical Science Courses:

- Engineering Essentials
- Introduction to Engineering Design
- Principles of Engineering
- Digital Electronics
- Civil Engineering and Architecture
- Computer Integrated Manufacturing
- Principles of Biomedical Science
- Human Body Systems
- Medical Intervention

We would like to explore this opportunity for your students with you. Visit our website to learn more about RIT, and to participate in a RIT PLTW Prospective School webinar: www.rit.edu and www.rit.edu/pltw. Please feel free to contact our office with any questions: Sarah Pillittere, sarah.pillittere@rit.edu or (585) 475-4744.

Thanks,

George Zion, Ph.D.
