

MTCO Redbird Replay is looking for help!

Positions of need

- Camera Operator
- Statistician
- Technical Producer

Job Description

- Showing up for athletic events that will be produced by MTCO.
- Assisting with the set-up, game operations and tear down of equipment for each game.
- Running a computer that operates the scoreboard used for the broadcast.
- Running a computer to help with the assistance of stats for each game.

Job Requirements

- Having a great work ethic and willingness to show up to every game.
- Willingness to learn about sports, television arts and communications.

Job Notes

- Positions are unpaid.
- No prior knowledge or experience is required.
- This "internship" would be great for students who may want to work in sports, television or the communication field.

If interested in any position, please reach out to Colten Kahler. Email is ckahler424@gmail.com
