

Summer employment opportunities for students coming up this summer. Depending on how the season progresses; We will most likely be looking to add (2) part-time summer help this summer. In the coming weeks I will put together a detailed job document for you to pass along to anyone that is interested. This position would start off at \$15/an hour with the ability for pay increases if it is a good fit. Please let me know if you have any questions.

Thank you! --
